COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In the Notice of Allowability mailed on August 29, 2005, Reasons for Allowance were included on page 2. These Reason state, in the first paragraph, "The primary reason for allowing this application is the specific recitation in claim 12 of a power delivery circuit for ...". Applicants respectfully note that this statement paraphrases claim 12. Therefore, the reasons for allowance recited in this statement are not limiting with respect to each and every allowed claim of the application. Applicants respectfully submit that each claim of the application should be construed in view of the elements claimed and should not be limited in scope to the specific elements referenced in the Examiner's statement in the Notice of Allowability that was noted above.

Respectfully Submitted,

McDonnell Boehnen Hulbert & Berghoff LLP
